**Biko Agozino : Counter-Colonial Criminology: A Critique of Imperialist Reason** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Counter-Colonial Criminology: A Critique of Imperialist Reason:

0 of 0 people found the following review helpful. A revelation By A. L. Branson Much like my dissertation regarding

the anonymity of African American serial killers, the best place to hide is in plain view. Criminology as a science for all its higher intentions has ignored the crime of colonialism even though it existed as this noble hybrid science was born

"This book will revolutionize the study of criminology throughout the world and promote the discipline especially in the Third World. ... A groundbreaking book ... [offering] dazzling brilliance in the development of criminological theory." About the Author Biko Agozino is associate professor of criminology at the Indiana University of Pennsylvania. He is the author of *Black Women and the Criminal Justice System* published by Ashgate, 1997, and editor of *Theoretical and Methodological Issues in Migration Research*, Ashgate 2000.
