Mohammadi Fatima, Maleki Muhammad Amin : Couples agreement on the rights of financial and non - financial measures in Iran before purchasing it in order to gage whether or not it would be worth my time, and all praised Couples agreement on the rights of financial and non - financial measures in Iran:

The book is written on the rights and the financial agreement and non - financial partner.the family is at the core of the society and the first social in person and manners of life and the principles of social mores and cooperation and self - sacrifice in the core and support for human.It is true that the law and the rights of the tasks set for the couples and procedural guarantees for it, but it is to be noted that the law alone cannot peace and happiness of the family. what happened in the family happiness is more effective law is the husband and wife should: and loyalty to live together and help each other and synergy not flinch and sacrifice, home to always keep warm and happy to resort to legal guarantees and refer to the implementation of the judicial authorities, when necessary, as the last remedy, should be used.
