Course360 for Family Law is a full online course, designed by a team of Instructional Designers and Subject Matter Experts specifically for online or hybrid learning environments. These online courses allow students to master important concepts needed to excel in the legal field. Each robust course is interactive and hands-on--presenting important information in a manageable way and giving many opportunities to put it all into practice. Our team of experts finds the best digital content in our library to teach all relevant topics, and we then write assessments to test them. Syllabus, content and assessments are all tied together through an outcomes-based framework that focuses on your students' ultimate success in the course. Course360 also works within your very own Learning Management

System and is highly customizable and flexible. We can perform customization for you, or you can make modifications along the way. Either way, you have the opportunity to make the course your own.
