NOT YOUR GRANDPA'S CRCBy Eat more PorkNot your average fun book but I have enjoyed refreshing concepts I had forgotten and reminding myself of what I used to know! This is my second CRC handbook. I wish I had kept the first one...it was like a 12 edition and had all kinds of really interesting things in it that the newer Handbooks don't have. I still appreciate mine and glance at it while watching TV or to look things up.0 of 0 people found the following review helpful.
