The cover only has the title. I don't really like how the book is structure. The price should be adjusted accordingly.0 of 0 people found the following review helpful. Excellent book that is easy to comprehend for my Sociology ...By JenniferExcellent book that is easy to comprehend for my Sociology course. I am renting it for the semester and it arrived in a box that was perfect for its size. I also saved quite a bit on renting it from here compared to my University bookstore.0 of 0 people found the following review helpful. Five StarsBy Alexander B GrantSatisfied!!

Crime Without Borders examines the globalization of crime and justice in today's contemporary society. It not only discusses the nuts and bolts of international crime and international law enforcement, but also raises abstract, theoretical issues for debate and asks critical questions about the best ways to think about international criminal justice problems. Throughout the book, it places global crime within the context of contemporary politics and current events. Hot topics such as terrorism, drug trafficking, and cybercrime are addressed throughout and connections between globalization, politics and criminal justice reflect the modern realities of international and transnational crime.

From the Back Cover "Crime Without Borders" examines the globalization of crime and justice in today's contemporary society. It not only discusses the nuts and bolts of international crime and international law enforcement, but also raises abstract, theoretical issues for debate and asks critical questions about the best ways to think about international criminal justice problems. Throughout the book, it places global crime within the context of contemporary politics and current events. Hot topics such as terrorism, drug trafficking, and cybercrime are addressed throughout and connections between globalization, politics and criminal justice reflect the modern realities of international and transnational crime. About the Author Aaron Fichtelberg is currently an Assistant Professor of Sociology and Criminal Justice at the University of Delaware. He holds a Ph.D. from Emory University in Atlanta where he wrote his dissertation on the philosophical foundations of international law. He also holds an LL.M. degree from Utrecht University in the Netherlands (summa cum laude) where he wrote his thesis on the role of liberal values in international criminal law. He has been published in journals like the Journal of International Criminal Justice, Criminal Law Forum, and Criminal Justice Ethics. He lives in Wilmington, Delaware with his wife and 1-year old twin sons, Oliver and Theodore.
