**Daniel E. Hall : Criminal Law and Procedure** before purchasing it in order to gage whether or not it would be worth my time, and all praised Criminal Law and Procedure:

0 of 0 people found the following review helpful. Timely, challenging but worth it!By Anthony L. TaylorExcellent book. I wish I had it fifteen years ago when I needed it MOST! But things manifest themselves when "the time is 'right'". The author is thorough in explaining the criminal legal system in the U.S., and provides clear examples to understand criminal legal concepts and terms. The book is loaded with resources: DVD, case law and many other learning aids and guides to help the reader acquire a cognitive grasp of the subject matter. This book is what I needed for a "project" on which I'm working, and I believe it will help me WIN by "making my case" (clear)!1 of 1 people found the following review helpful. I love criminal lawBy Kosmo LoveGreat quality for the price of the book. Great book for someone interested in the basics of criminal law.1 of 1 people found the following review helpful. DefenderBy Marilynn RydlundExcellent and thorough. Like that it had two separate sections for criminal law and procedure.

Criminal Law and Procedure, fifth edition, provides comprehensive coverage of both criminal law and criminal

procedure. The book is designed to be used in combined criminal law and criminal procedure classes or may be split for use by programs that divide the two subjects. The first half of the book examines the elements of crimes, parties to crimes, and basic legal (constitutional and statutory) and factual defenses. The second half discusses the parties in the criminal justice system, basic constitutional framework, and the law of searches, seizures, arrests, interrogations, other law enforcement practices, and the process of criminal cases, from first appearance to appeal. The impacts of contemporary problems, such as terrorism on criminal procedure are also included in the discussion. Case excerpts are included to stimulate student discussion. The pedagogy of the book is designed to develop problem solving and analytical skills.

Chapter 1: Introduction to the Legal System of the United States Chapter 2: Introduction to Criminal Law Chapter 3: The Two Essential Elements Chapter 4: Crimes Against the Person Chapter 5: Crimes Against Property and Habitation Chapter 6: Crimes Against the Public Chapter 7: Parties and Inchoate Offenses Chapter 8: Factual and Statutory Defenses Chapter 9: Constitutional Defenses Chapter 10: Introduction and Participants Chapter 11: The Constitutional Aspects of Criminal Procedure Chapter 12: Searches, Seizures, and Arrests Chapter 13: Interrogation and Other Law Enforcement Practices Chapter 14: The Pretrial Process Chapter 15: Trial Chapter 16: Sentencing and Appeal APPENDIX A-The Constitution of the United States of America APPENDIX B-Selected Excerpts from the Model Penal Code

About the Author Daniel E. Hall has practiced law in both the United States and Federated States of Micronesia. He is professor and chair of the department of justice and community studies at Miami University where he is also professor of political science and affiliate professor of Black World Studies. He also holds the position of visiting professor of law at Sun Yat-sen University in Guangzhou, China. For nine years, Professor Hall was a member of the faculty in the department of criminal justice and legal studies at the University of Central Florida. He also served as chair of the department of criminal justice at The University of Toledo. A widely respected authority on public law, Professor Hall is the author of 21 textbooks (including subsequent editions) and a dozen journal articles on public law subjects. He earned his bachelor's degree at Indiana University, his Juris Doctor at Washburn University, and his Doctor of Education (higher education curriculum and instruction) at the University of Central Florida.
