Barcharts Inc : Criminal Law (Quickstudy Law) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Criminal Law (Quickstudy Law):

2 of 2 people found the following review helpful. BarCharts are a great - but condensed - overview of the black letter law. By Bill Brasky What BarCharts are NOT: a comprehensive study guide. You cannot do well on a law school exam or bar exam relying solely upon BarCharts. That is not their purpose. What BarCharts ARE: a condensed overview of the black letter law. Use them as a quick reference to understand the material during the semester. Use them as a REVIEW of the material you (should) have already studied for the exam. In law school, BarCharts were the last thing I skimmed over before taking an exam. It's a good refresher. Same with the bar exam. I skimmed over my BarCharts both nights before the exam. 2 of 2 people found the following review helpful. Bar Chart's - Criminal Law By Robert G. Dearnorff EXCELLENT! Criminal Law by Bar Charts is written in concise form to give me the information I need in seconds. Particularly, first-year students, by following the outline the process of writing a memorandum, briefing a

case, and/or setting up smartly written letter to an attorney if you are a paralegal and/or attorney want to convey the opinion. You will find that Actus Reus and Mens Rea are nicely broken down in a manner where I could use it quickly. The greater the planning, the better a written brief, memorandum and/or letter give you a wonderful boost. Then combine the aforementioned with Voluntary Act, Specific Intent, General Intent and/or Strict Liability and I am able to put together again a smartly written paper that has gotten me A's. Robert Deardorff Jacksonville Florida, Review Quick Study Law, Criminal Law, Bar Chart's, Inc., ISBN-13: 978-142321496-0 / ISBN-10: 142321496-X (C2001-20100 of 0 people found the following review helpful. Excellent resource. If you ever wandered what happens if ...By CustomerExcellent resource. If you ever wandered what happens if you are ever charged or looking at court for a criminal act, this Will tell you what to expect.

BarCharts, Inc was founded on our law guides created by the owner. They were designed to understand the significant details within the larger scheme of the law, as a daily refresher, and to review before the Bar Exam. Twenty five years later we keep those guides up to date for students of law and criminal justice, paralegals, and practicing lawyers to have the most handy legal reference to the most important points of the law possible in 6 laminated pages. Suggested uses:

- o Used by criminal justice majors and professionals
- o Law students and legal professionals at any level
- o To understand proportion and relevance within Constitutional Law
- o Quick and constant refreshers before classes and exams
- o As the last review before taking the Bar Exam
