Inc. BarCharts : Criminal Procedure (Quick Study Law) before purchasing it in order to gage whether or not it would be worth my time, and all praised Criminal Procedure (Quick Study Law):

You cannot do well on a law school exam or bar exam relying solely upon BarCharts. That is not their purpose. What BarCharts ARE: a condensed overview of the black letter law. Use them as a quick reference to understand the material during the semester. Use them as a REVIEW of the material you (should) have already studied for the exam. In law school, BarCharts were the last thing I skimmed over before taking an exam. It's a good refresher. Same with the bar exam. I skimmed over my BarCharts both nights before the exam. 2 of 2 people found the following review helpful. Constitutional law, criminal law and criminal procedures are the strongest of the series. By I enjoy sandwiches The Quick Study series is strong, with Criminal Procedure, Criminal Law and Constitutional Law standing head and shoulders above the rest as the strongest

laminates of the series. These cannot replace the actual text or class material, but they come close. More importantly, what they do remarkably well is to give you a general overview and guide so you can understand where the material is going. Similar to the artist's technique where you have to create a vague rough sketch to understand proportion and relevance, these allow you to understand the significance of minutia and detail in the bigger schematic. Also great refresher if you are return after a long time away and your own notes don't make sense anymore. For the gunners out there, the laminate surface also makes these perfect to buy a second set to keep in the kitchen or bathroom for those "leisure time" study sessions. 0 of 0 people found the following review helpful. Best Study Aid Ever By Mary Williams Great for last minute cramming! Got a B+ in this class. It really helped me organize my flash cards, I definitely recommend!

Criminal procedure law following an arrest for a crime is complex for a number of reasons most notably to provide the accused with the minimum protections under the law. The right to counsel and a speedy trial and the freedom from unlawful search and seizure and self-incrimination are all based on the Bill of Rights and applicable to all American citizens. Whether you are a law student or a practicing attorney, our newly updated, three-panel Criminal Procedure QuickStudy guide has the latest statutory and precedent information to keep you up to date.
