8 of 8 people found the following review helpful. NecessaryBy Fresia MooreIf you are interested in Critical Race Theory and Critical Legal Studies this anthology is very helpful. There are some seminal essays in here beyond Bell's.0 of 0 people found the following review helpful. Many important pieces by critical race theorists. While many ...By C. LarsonMany important pieces by critical race theorists. While many of them are challenging, they are well

worth the time to read and process. 2 of 3 people found the following review helpful. arrived in greatBy Crest01 exactly what i needed for class; arrived in great shape

In the past few years, a new generation of progressive intellectuals has dramatically transformed how law, race, and racial power are understood and discussed in America. Questioning the old assumptions of both liberals and conservatives with respect to the goals and the means of traditional civil rights reform, critical race theorists have presented new paradigms for understanding racial injustice and new ways of seeing the links between race, gender, sexual orientation, and class. This reader, edited by the principal founders and leading theoreticians of the critical race theory movement, gathers together for the first time the movement's most important essays.

"As of the publication of Critical Race Theory it will be unwise, if not impossible, to do any serious work on race without referencing this splendid collection."Toni Morrison"A fundamental reference guide to any serious work on race."Amsterdam News"Critical Race Theory is a compilation of provocative writings that challenges us to consider the relationship between race, the legal system, and society at large."Senator Bill Bradley
