**Margaret C. Jasper : Custodial Rights (Oceana's Legal Almanacs: Law for the Layperson)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Custodial Rights (Oceana's Legal

## Almanacs: Law for the Layperson):

This almanac explores the many facets of the law of child custody, and provides a brief history of child custody decision-making in the United States. The modern-day standards by which courts award custody is discussed, including the factors a court considers in making a custody determination. The various types of custody arrangements presently available are also examined. Other topics covered here include the custodial rights of unmarried parents and step-parents, recent rulings concerning the parental status of same-sex partners, impact of reproductive technology in custody cases, interstate and international custody litigation, and parental abduction, as well as the custody-related topics of visitation, paternity, child support, and child abuse. The Legal Almanac Series consists of over 75 titles and serves to educate the general public on a variety of legal issues pertinent to everyday life. Each volume includes an overview of the topic followed by chapters on the major issues in that subject, an Appendix containing several primary source documents as well as practical forms and checklists. A Glossary defines any technical terms used in the text.

About the AuthorSeries Editor Margaret C. Jasper is an attorney in general practice in South Salem, NY, concentrating in the areas of personal injury and entertainment law. Ms. Jasper holds a JD from Pace University School of Law and is a member of the New York and Connecticut bars. Ms. Jasper has been appointed to the panel of arbitrators of the American Arbitration Association and the law guardian panel of the Family Court of the State of New York and is a member of the American Trial Lawyers Association.
