**Alexander W Russell, Ernest C Hope : Davenport's Illinois Wills And Estate Planning Legal Forms** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Davenport's Illinois Wills And Estate Planning Legal Forms:

This book published by Davenport Press written by attorneys has a quick review of Illinois law and a good range of ready to use Wills and Estate Planning legal forms for Illinois. Estate planning concerns how a person can arrange things for and control upon illness or death their property and money, children and dependents, health care, legal matters, and more. In this book 9 main legal forms are provided (and can be downloaded free) to let documents be

completed in minutes, which are: 1) Last Will And Testament (lets one give orders to on death gift most property, choose guardians for children and their property, say if less burdensome legal options can be used and pick executor to handle affairs, and control other matters), 2) Last Will And Testament (No Guardians) (this form is a Will with no paragraph on guardians for children), 3) Self-Proving Affidavit (this form is signed with a Will to avoid work after a death of showing a Will was signed correctly), 4) Illinois Statutory Short Form Power Of Attorney For Health Care (lets health care instructions be given and person be named to control health care in case needed), 5) Living Will Declaration (lets one say how health care should stop if in terminal irreversible condition near death and doctors agree there will be no recovery), 6) Do-Not-Resuscitate (this form one can request from doctors when in poor health to show paramedics and others to not try restarting the heart or breathing and other major actions), 7) Illinois Statutory Short Form Power of Attorney For Property (lets power over ones money, property, and other matters be shared with a trusted person often so they can help manage things), 8) Appointment Of Short-Term Guardian Of A Minor (lets power over a child including health care and education be shared with another person like a teacher, camp counselor, relative, or friend, usually because parents will be absent), and 9) Appointment Of Agent To Control Disposition Of Remains (lets person give instructions and pick person to control funeral, cremation, burial, and related matters).
