Alexander W Russell, Ernest C Hope : Davenport's Maine Will And Estate Planning Legal Forms Booklet before purchasing it in order to gage whether or not it would be worth my time, and all praised Davenport's Maine Will And Estate Planning Legal Forms Booklet:

This publication written by lawyers and published by Davenport Press lets people in Maine quickly complete a valid and binding Will and other Estate Planning legal documents. Estate Planning concerns how to control upon illness or death one's health care, property and money, children and dependents, and more. The ready-to-use legal forms provided include: 1. Maine Statutory Will (lets one give orders to later at death control property, guardians for children and dependents, and other matters); 2. Self-Proving Affidavit (reduces later work of people of showing a Will was signed correctly); 3. Advance Health-Care Directive (lets a person be named to control ones health care if needed and

lets health care instructions be given); 4. Durable Power of Attorney (lets powerful powers be given to another person over ones finances and property to let them sign binding documents and help with various matters); and 5. Power of Attorney Delegating Parental Authority (allows broad power over a child's health care, schooling, and property be given to a person in case parents are not present. This booklet's Appendix also explains how people can instantly download the legal forms to any computer.
