Alexander W Russell, Ernest C Hope : Davenport's Tennessee Wills And Estate Planning Legal Forms before purchasing it in order to gauge whether or not it would be worth my time, and all praised Davenport's Tennessee Wills And Estate Planning Legal Forms:

Published by Davenport Press this book written by lawyers provides a quick discussion of the law and, also, a good range of Tennessee Wills and Estate Planning legal forms. Estate Planning concerns how a person can control upon illness or death their health care, property and money, children, and more. This book contains 8 ready to use legal forms (which also can be downloaded free) which can be completed in minutes, which are: (1) Last Will And Testament (lets one write orders to on death gift most property and money, pick guardians for children and their property, say less burdensome legal procedures can be used later, and pick person to be executor to handle things after

death); (2) Last Will And Testament (No Guardians) (this Will has no Guardians paragraph and is for people without children under 18 and not giving anything to other minors under 18); (3) Self-Proving Affidavit (often done with a Will to avoid work after a death of showing a Will was signed correctly by getting testimony of witnesses to the Will signing, and using this form increases the chance a Will is enforceable); (4) Appointment Of Health Care Agent (sometimes called a Health Care Power of Attorney lets a person be named to control health care and be given instructions in case one cannot later control own health care); (5) Advance Care Plan (sometimes called Living Will lets one say if ever serious medical condition occurs what extreme measures are wanted and when should health care stop); (6) P.O.S.T. (sometimes called a Do Not Resuscitate this form can be requested to show paramedics and other medical personnel to not try restarting the heart or breathing or other major actions); (7) Durable General Power Of Attorney (sometimes called Financial Power Of Attorney lets power over money, property, and other matters be shared with a spouse or other trusted person so they can act for a person); and (8) Tennessee Power Of Attorney For Minor Child (lets a parent or similar share with another person power to control a childs health care, schooling, and other matters).
