**Gareth Schofield, Jonathan Middleton : Debt and Insolvency on Family Breakdown - 2nd Ed.** before purchasing it in order to gage whether or not it would be worth my time, and all praised Debt and Insolvency on Family Breakdown - 2nd Ed.:

Family breakdown is usually accompanied by financial problems, even insolvency. But to many family lawyers, bankruptcy and personal insolvency more generally are foreign concepts. This eminently useful British text explains succinctly and clearly the underlying law, highlights the danger areas for family lawyers and offers problem-solving

advice.
