David Malone : Decision-Making in the UN Security Council: The Case of Haiti, 1990-1997 before purchasing it in order to gage whether or not it would be worth my time, and all praised Decision-Making in the UN Security

Council: The Case of Haiti, 1990-1997:

After President Aristide was overthrown by the Haitian military in September 1991, the UN Security Council and the OAS instituted a progression of measures to restore him to power. This unique and intriguing study examines how and why the UN Security Council took its decisions on Haiti, including authorization in July 1994 of the use of force by a US-led multinational coalition, against the de facto regime.

'accessible and of great value." G R Berridge, Emeritus Professor of International Politics, University of Leicester, 25 March 2002' Malone's insight into the diplomacy behind the rhetoric is the book's greatest strength ... it is precisely his account of the decision-making process outside the Security Council that makes this volume so interesting.' Simon Chesterman, International Journal of Refugee Law Vol 11 No 1, 1999 About the Author David Malone is Director General, Global Issues, Department of Foreign Affairs and International Trade for the Government of Canada.
