**Juan Fornés : Derecho matrimonial cannico / Canonical marriage law (Spanish Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Derecho matrimonial cannico / Canonical marriage law (Spanish Edition):

Este volumen presenta de modo sinttico y exhaustivo las cuestiones relativas al Derecho matrimonial cannico. Se trata de un libro claro y lineal, que ofrece las nociones fundamentales, los datos normativos y las piezas claves del sistema

matrimonial cannico, en un visin ponderada que da razn de la armona del conjunto.
