David L. Callies, Cecily Talbert Barclay, Julie A. Tappendorf : Development by Agreement: A Tool Kit for Land Developers and Local Governments before purchasing it in order to gage whether or not it would be worth my time, and all praised Development by Agreement: A Tool Kit for Land Developers and Local Governments:

Land owners and local governments use formal agreements to maximize mutual interests in and benefits from certain

types of land use. Development by Agreement begins with an overview of problems that can be solved by agreements related to development, annexation, conservation, and a host of other land uses. The authors then provide several extensive chapters on negotiating and drafting these agreements and conclude with a comprehensive set of sample agreements and checklists that are also included on a convenient CD-ROM.

About the Author David Callies is Benjamin A. Kudo Professor of Law at the University of Hawaii School of Law, where he teaches courses in land use, state and local government, and real property. Cecily Talbert Barclay is a partner with Perkins Coie LLP in San Francisco. Julie A. Tappendorf is a partner with Ancel, Glink, Diamond, Bush, DiCianni Krafthefer, P.C. in Illinois.
