Daniel A. Farber, Jim Chen, Robert Verchick, Lisa Sun : Disaster Law and Policy, Second Edition (Aspen Elective) before purchasing it in order to gage whether or not it would be worth my time, and all praised Disaster Law and Policy, Second Edition (Aspen Elective):

0 of 0 people found the following review helpful. Good Book if you like law reviewBy RustyBI took this for a college course. Read a little different than most of the college classes I have taken. If you like to read law then this will be right in your wheelhouse.

Disaster Law and Policy examines the growing field concerned with disaster prevention, emergency response,

compensation insurance, human rights, and community recovery. The first book on disaster law to appear in the wake of Katrina, this fascinating text provides the key building blocks for a thoughtful analysis of the issues that surround disaster-relief policy and procedure.
