Michael Wheeler : Divided Children: A Legal Guide for Divorcing Parents before purchasing it in order to gage whether or not it would be worth my time, and all praised Divided Children: A Legal Guide for Divorcing Parents:

0 of 0 people found the following review helpful. Re-release this book! It's timelyBy JacquelineI pulled this book from my shelf and read it again after 20 years. Update it! Reissue it! The world has changed but sadly, the divorce process still divided children and fosters alienation of children. Despite all of the lip service paid to them, they are the casualties. Think of Alex Jones custody fight...or Bill O-Reilly's custody fight...or Alec Baldwin's experience with the "divorce system" as described in his book, A Promise to Ourselves. Recommended.
