**Jennifer A. Carsen : Divorce Guide for Illinois** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Divorce Guide for Illinois:

0 of 0 people found the following review helpful. This divorce guide was very helpful and provided me with ...By P. Burwell This divorce guide was very helpful and provided me with a base in which I myself was able to file all the necessary forms needed to start my divorce proceedings. 0 of 1 people found the following review helpful. Publication date? By Catherine E. Ingram This has the same ISBN as the 2004 edition. Is this an update? New? It is REALLY from 2010? AUTHOR Carsen, Jennifer A. TITLE Divorce guide for Illinois / Jennifer A. Carsen. PUB.INFO. Bellingham, WA ; North Vancouver, B.C. : International Self-Counsel Press, c2004. STANDARD# 15518044761 of 1 people found the following review helpful. NO BRAINER DIVORCE By A Customer I loved the advice in this book. It was easy to read, easy to follow and made the whole messy process so much easier and stress free. I don't recommend a

divorce but I do recommend this book.

Anyone can obtain their own divorce without the expense of lawyer's fees. Written by an experienced lawyer, this easy-to-follow guide is one of the most complete and up-to-date publications on how to obtain an uncontested divorce in Illinois. Even if the person will retain a lawyer, this guide will be an invaluable companion throughout the divorce proceedings. In a frank and uncomplicated manner, this guide explains:- Legal separation- Tax aspects of separation and divorce- Preparation of documents- Custody of children There are more than 43,000 divorces each year in Illinois, which ranks fifth in the greatest number of divorces per state. A divorce lawyer would charge approximately \$1880 for a relatively simple divorce where there is property but no minor children. This book shows people how they can do it themselves, quickly, legally and easily!
