Alan Freed, Alisse Camazine : Divorce in Missouri (updated edition): The Ultimate Guide to A Show-Me State Divorce before purchasing it in order to gauge whether or not it would be worth my time, and all praised Divorce in Missouri (updated edition): The Ultimate Guide to A Show-Me State Divorce:

0 of 0 people found the following review helpful. Read this BEFORE you file for divorce. You will save time and money. By Jennifer Bahr This book is a must read if you are either getting divorced or thinking about it in Missouri. In

fact, I would recommend you read it BEFORE you see a lawyer for the first time. You need to know what you are getting into and what to expect. I am helping a friend divorce her abusive husband, and she would have done a lot of things differently if she had read this book first. It explains the law in Missouri, and what process you will go through before your divorce is finalized. It also gives tips on what the court typically grants in a standard no-fault divorce, so you can have a reasonable idea of how much custody/child support etc. you may pay or get. Reading this book will save you thousands of dollars in lawyer fees and costly mistakes. Well worth the investment. 1 of 1 people found the following review helpful. Great Guide for those who need it! By Kindle Customer This book is a wonderful guide for those working through a divorce. It does caution those going through a divorce to try to solve problems before coming in front of the judge. This is very wise. It gives many suggestions for the person seeking a divorce to think about. What it doesn't tell is, the judges in Missouri can be very partial to one side of the divorce. It does not say what attorneys know, a judge can take away a parent's visiting rights for no reason. That is the only flaw for the book. 0 of 0 people found the following review helpful. Five Stars By patty larson Easy read on a hard topic

This is the original Divorce in Missouri that has received state-wide praise from judges, lawyers, clients and the Missouri Bar Magazine. Now completely updated with all the latest information. Don't be fooled by a book that copied the Divorce in Missouri title, but doesn't come close to delivering the quality of detailed, user friendly information that has made the original Divorce in Missouri so popular and respected by everyone. This easy to read and understand book explains the divorce laws of the Show-Me State and suggests strategies that can result in a successful settlement. It now includes information on how divorce can affect non-US citizen permanent residents. This is not a book that generally covers divorce for all 50 states. It gives clear and detailed information only about the things a Missourian considering a divorce needs to know. Every page is focused just on the laws, processes and likely judgments by a Missouri court if a settlement cannot be reached. Table of Contents Introduction Authors' Note Chapters: 1. Grounds for Divorce 2. Missouri's Divorce Process 3. Finding and Using a Lawyer 4. Mediation 5. Collaborative Divorce 6. Legal and Physical Custody 7. Child Support 8. The Status of Children 9. Grandparental Rights 10. Maintenance 11. Property Distribution 12. Property Issues and Considerations 13. Determining Income 14. Divorce Strategies and Issues 15. The Perils of Living Together Appendix . Summary of Missouri's Divorce Process. Diagram of Missouri's Process. Things to Bring to Your Lawyer. Things to Do After Your Divorce. Telephone, Computer, Social Media. Divorce Issues for Non-US Citizens Index Meet the Authors

If it ever can be said that reading about family law is a pleasure, it should be said after reading this book. --Missouri Bar magazine President Persons who are contemplating dissolving their marriage...are well advised to take the time to read this book and follow its advice. --Joseph R. Briscoe, former Family Court Judge, St. Charles County, MO After giving my client Divorce in Missouri, she returned with greater emotional stability, claiming the book was very readable, it made her feel empowered and was invaluable help. --Christian R. Neff, family law attorney, Jefferson City, MO Persons who are contemplating dissolving their marriage...are well advised to take the time to read this book and follow its advice. --Joseph R. Briscoe, former Family Court Judge, St. Charles County, MO After giving my client Divorce in Missouri, she returned with greater emotional stability, claiming the book was very readable, it made her feel empowered and was invaluable help. --Christian R. Neff, family law attorney, Jefferson City, MO About the Author Alan Freed and Alisse Camazine have represented thousands of Missourians in divorce actions.
