John Roach; Laura Roach : Divorce in Peace: Alternatives to War from a Judge and Lawyer by John Roach (2016-05-13) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Divorce in Peace: Alternatives to War from a Judge and Lawyer by John Roach (2016-05-13):

0 of 0 people found the following review helpful. Valuable insight and strategies to come to an agreementBy Ryan Chal bought this book to learn and apply some new strategies to try since I have made many attempts to discuss options without getting attorneys involved, all which have failed. The IHOP method gave me some helpful recommendations that enabled me to open up some dialogue with my wife on coming to an agreement (mainly custody and choice of schools) without having to go to trial. Great book especially on outlining what to expect realistically going through a divorce and ways to avoid losing a ton of money to attorneys and the court system.0 of 0 people found the following review helpful. Knowledge = PowerBy Stephen M PutontiGreat book to read before you speak with a lawyer or get the process started. Knowledge is power and this book provides a ton of it.0 of 0 people found the following review helpful. Five StarsBy evelyn kershawLove this book! It's a powerful tool for anyone considering,

going through or already been through a divorce.
