Leslie Shaner : Divorce in the Golden Years: Estate Planning, Spousal Support, and Retirement Issues for Clients at Midlife and Beyond before purchasing it in order to gage whether or not it would be worth my time, and all praised Divorce in the Golden Years: Estate Planning, Spousal Support, and Retirement Issues for Clients at

Midlife and Beyond:

This manual details how to handle a divorcing couple's assets while also considering issues related to their age or length of their marriage. It explains how this couple is affected by the established estate plan, intestacy and the issues raised when a divorcing client or spouse dies without a will, as well as other complicating factors such as medical directives, spousal support, and retirement plans. Include covering relevant issues by state, forms and checklists.
