It was so helpful that I stayed up until 2:30 a.m. the first night reading it. It is very easy to understand and I learned more from this book than I had from my prior attorney meetings. Plus, it is a lot

cheaper to read the book than spend hours asking my attorney questions! I feel a lot more confident now. I would highly recommend this book to anyone going through a divorce or to someone who has a family member going through a divorce. 2 of 2 people found the following review helpful. concise information to be able to make the best decision for my situation
