Nicole L. Goetz : Divorce Proceedings in Florida: What You Need to Know (Quick Prep) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Divorce Proceedings in Florida: What You Need to Know (Quick Prep):

0 of 0 people found the following review helpful. Five Stars By DLTS - HCCExcellent.

Divorce Proceedings in Florida is a comprehensive overview of the divorce process in Florida. Written by a family law attorney who has practiced exclusively in family law for well over a decade, this book offers the unique perspective of an attorney who has been involved with virtually every aspect of a divorce proceeding including enforcement, modification, and appellate cases. This book is designed to help you navigate through your divorce process, with advice on how to select and hire an attorney, how to maintain a successful relationship with your attorney, how to prepare for your divorce case, and what you can expect in a typical divorce case and beyond. Through these topics, the author offers her own insight and provides useful tips through examples of situations you may face in your own divorce. Divorce Proceedings in Florida will discuss the law behind developing a plan to parent your children, how the court may divide marital property, and the types of financial support available to you. This book is an indispensable guide to anyone considering filing, responding to a filing, or those who have already filed for divorce. After reading this book, you will have the information you need to be an active and knowledgeable participant in your own divorce.
