Mark D. Brent : Divorce Proceedings in Illinois: What You Need to Know (Quick Prep) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Divorce Proceedings in Illinois: What You Need to Know (Quick Prep):

1 of 1 people found the following review helpful. Great book - also great for new attorneys. By G. Illinois This is a great book if you are considering divorce, going through a divorce, and/or you have questions about child support, custody, or maintenance. This is also a great book if you are an attorney and you would like to get a better understanding of how to handle a divorce case from beginning to end. As a new attorney, I found the book to be very informative, especially the discussion of various strategies that can be used to advance your client's position. The book does a good job of explaining things in a concise manner that makes it easy to follow, and also elaborates on some of the areas that are confusing to many people, such as custody/visitation. It also references the various forms involved in a divorce case and includes examples in the appendix.

3 of 3 people found the following review helpful. An Excellent Roadmap By Patty I wish this book existed prior to beginning my paralegal coursework. Clear, concise and written by an experienced attorney specializing in family law, this book provides the procedural roadmap necessary to simplify the complex area of Illinois divorce law. If you are a legal student and/or involved in an Illinois divorce proceeding, then this book is the best place to start. Once you read it, the subsequent paperwork and procedures will be easier to understand and you will feel more in control throughout the process.

2 of 2 people found the following review helpful. Great Primer! By Phyllis M. Intrain Going through a divorce would never be on anyone's 'wish list', but having an idea of the what to expect would help ease the anxiety and give direction to an emotionally and financially turbulent experience. This book provides an uncomplicated view of the steps involved, and helps the reader understand the process within the court system. A great primer for paralegals or new attorneys practicing in family law, or anyone considering divorce.

Divorce Proceedings in Illinois is a practical, plain-language guide and introduction to the complicated and contentious issue of divorce in Illinois. Written by an experienced divorce attorney and litigator, in an easy to understand and conversational style, this book is a must-read for anyone seeking to learn more about this important topic. Whether you are considering a divorce, your spouse has mentioned a divorce, you are actively litigating a divorce, or you are a friend or family member seeking to support someone going through a divorce, this guide serves as a thorough introduction to what you need to know. As common as divorce has become in today's society, it is still an area filled with myth, misunderstanding, and mystery. *Divorce Proceedings in Illinois* acts as an introductory guide to the law, as well as the reality of modern divorce cases. Readers will find clear and thorough explanations, strategy tips, and helpful advice, and ultimately, should come away with a greater understanding of their rights as well as the divorce process.

About the Author Mark D. Brent began his legal career at the law firm of Williams Montgomery John, in Chicago, Illinois, where he received extensive training and trial experience in many forms of litigation, including catastrophic death and injury cases, attorney and other professional malpractice cases, and insurance coverage/toxic tort litigation. Mark spent a decade as a solo practitioner, focusing his practice in family law over a five-county area in Chicagoland. He is now a member of the Drendel Jansons Law Group, with offices in Batavia and Aurora, Illinois. Although a litigator throughout his entire twenty-plus year career, Mark's practice now focuses solely in the area of family law, with a heavy concentration in the areas of contested divorce and custody cases.
