THE A, B, C's OF DIVORCE IN HAWAII BEYOND.By pgfesqI have had the privilege honor to work with Mr. Coates for over 27 years, and perhaps know better than most his total commitment devotion to the work he does for State of Hawaii families. His passion to help and guide folks in need Divorce Family Law advice is as great today as it was when he first started his "life's calling" over 4 decades ago. Nowhere is Mr. Coates' drive and devotion more evident than in his Book, DIVORCE WITH DECENCY. I have seen him over the years literally put his "heart soul" into each of the 5 Editions released by U.H. Press over the last several decades. The 5TH EDITION of DIVORCE WITH DECENCY may be Mr. Coates' finest most comprehensive work yet. I should know. I have read ALL 5 editions, and truly believe that this 5TH EDITION is an essential read for EVERY PERSON who is in need of Family Law Divorce advice. There simply is no finer publication, period. The "A, B, C's of Divorce", if you will.

This text aims to present an informative yet readable overview of the entire divorce process. It offers a comprehensive treatment of the legal, emotional, economic and social aspects of divorce. The book looks at the dynamics of divorce, provides information on spouse abuse, discusses key criteria in selecting an attorney and gives expert advice on directing and monitoring the course of a case efficiently and economically. A detailed background is given on the legal issues, followed by case histories highlighting points of divorce law. The final section looks at the newly divorced as they face single-parenthood, new relationships, remarriage and other "after-shocks".

"An impressively detailed, insightful and compassionate guide that pays a great deal of unexpected attention to the emotional, psychological, and spiritual side of the divorce issue."About the AuthorBradley A.
