0 of 0 people found the following review helpful. Five StarsBy Kayvery informative and helpful0 of 0 people found the following review helpful. A must read if considering divorce!By carlius mappGave me the information I needed to make an informed decision.

Get essential information on how to end a marriage fairly and inexpensively. This book guides you through a negotiated divorce, using divorce mediation, or an increasingly popular approach called collaborative divorce.

Encouraging and straightforward, *Divorce Without Court* explains: how mediation works. how collaborative divorce works. how to maximize opportunities for settlement. how to get an agreement in writing. how to find and use advisors. *Divorce Without Court* provides the latest resources, contact information for state offices, national and regional organizations, and clear examples of what you can expect. With downloadable worksheets and checklists.

"Divorce is never emotionally easy to get through, but with useful resources such as... *Divorce Without Court*, it does not have to be financially devastating." *American Reference Books Annual* Finally a realistic and balanced approach to getting divorced without costly court battles. This accessible book takes divorcing couples through the entire process. Gary Friedman, Author of *A Guide to Divorce Mediation* A person considering divorce could not have a more valuable resource than *Divorce Without Court*. A comprehensive step-by-step guide through the process for people who want to avoid the expense and damage of litigation. Chip Rose, Author of *Collaborative Family Law Practice*" Stoner explains how people ending their marriage can avoid the high cost and the escalation of lawyers by finding a neutral mediator or two lawyers (one for each party) who offer a new approach to resolving divorces called collaborative law or collaborative divorce. These professionals help the two parties come to agreement on the issues without a legal battle, she says. The topics include the role of mediation and collaborative law in the divorce process, proposing mediation or collaboration to your spouse, preparing for and making the most of the first session, negotiating in mediation or collaborative divorce, divorce for same-sex couples, and mediation and collaboration after divorce." Eithne O'Leary, Editor Ringgold, Inc. ProtoView From the Back Cover Avoid the expense and stress of divorce court Ending a marriage is always difficult, but you don't have to be overwhelmed by financial or emotional conflict.
