Robin Smith : Do Your Own Divorce in Oregon (Nolo Press Self-Help Law) before purchasing it in order to gage whether or not it would be worth my time, and all praised Do Your Own Divorce in Oregon (Nolo Press Self-Help Law):

1 of 1 people found the following review helpful. Takes away some of the fear of the processBy The Fuzzy OneDivorce sucks, but it doesn't have to be as intimidating a process as it can seem to be (your results may vary). Nolo Press does a great job in providing layman-level information with little legalese. Organized well, clear in it's explanations, it's a worthwhile reference book even if you have an attorney (sometimes *especially* if you have an attorney!). For those concerned about their rights in a divorce or separation this is a great book! I purchased this for a friend of mine and her anxiety and stress levels decreased dramatically after reading through a few sections that pertained to her issues. . . and BOY does she have *issues*!! Keeping her from totally wiggling out was worth the price!Vendor was prompt with shipping and book arrived in very good condition. I would buy from them again, though I really hope my friend is smarter next time!9 of 10 people found the following review helpful. Excellent step by step guideBy A CustomerI found this book to be comprehensive and thoroughly detailed.It has information for

multiple scenarios and when it is right to seek out side help. I saved vast amounts of legal costs when this book told me exactly what I needed to do.

For divorcing couples willing to work out their differences outside the courtroom, this book offers clear, step-by-step instructions to sort out divorce-related issues such as debts, taxes, division of property, child support, custody and visitation; and to fill out and file all the forms required to get a legal divorce in Oregon without the need for a lawyer-- or a lawyer's fees.

Here's an Oregon-specific guide to divorce written by a Portland woman who knows the territory. -- Portland Oregonian
When it comes to self-help legal stuff, nobody does a better job than Nolo. -- USA Today
About the Author
Robin Smith has helped thousands of people do their own divorces in Oregon, first as an employee of a paralegal service and then for eight years as the owner of Peoples Paralegal Service, Inc. As founder and President of the Oregon Legal Technicians Association, she lobbied for legislation to clarify the role of the independent paralegal in a changing legal system.
From The Washington Post
Nolo publications guide people simply through the how, when, where, and why of the law.
