Elizabeth Schneider, Cheryl Hanna, Emily Sack, Judith Greenberg : Domestic Violence and the Law (University Casebook Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Domestic Violence and the Law (University Casebook Series):

1 of 1 people found the following review helpful. Great book, as far as case books go. ...By JennGreat book, as far as case books go. Domestic violence touches on many substantive areas of law, including child custody, divorce, criminal law, civil protection orders, etc. This book covered a wide swath of these topics, with both case law and social science articles. Perhaps this was digestible because I found the topic interesting, but I found this to be more readable than many casebooks.0 of 0 people found the following review helpful. Four StarsBy JordanGreat opinion excerpts and supplemental info1 of 1 people found the following review helpful. great selection of chapters on DV lawBy crim law profThe book contains a great variety of chapters from cases to theories of violence to practical chapters to assist

lawyers in practice. It includes information on multiple types of violence and the differential impact of DV on different groups. I recommend it for law students, legal scholars, practicing attorneys and anti-violence advocates.

Emily Sack joins Elizabeth M. Schneider, Cheryl Hanna, and Judith G. Greenberg in this edition of *Domestic Violence and the Law*. The casebook maintains its focus on examining domestic violence through a variety of theoretical, practical, and interdisciplinary lenses. It remains the most comprehensive casebook on domestic violence. This edition captures the continued growth in domestic violence law and expands upon recent Supreme Court cases. The notes are rich with information, citations, and problems. The book includes excerpts from a variety of sources including fiction, amicus briefs, academic articles, practice materials and personal narratives.
