This is a soup to nuts book for anyone who is having difficulties in their marital relationship. It's forthright, nitty gritty, and it grabs your attention from the start. It forces the reader to take a few steps back and really contemplate their own individual situation. Looking for a quick primer prior to your initial consultation with a marital relations attorney? This will cover a lot of ground in a short amount of time. The author

brings common sense and years of experience to the table in very short order. You would pay hundreds of dollars for lesser advice. Don't pass this one up! 0 of 0 people found the following review helpful. Great and Insightful! By Ken WI thought this book was great! A good friend of mine is going thru a divorce, and I wanted to help... Having been thru a divorce, this book really rang true... I wish I had had it when I went thru mine, it would have saved me a lot of time and frustration (and money!). This book can be a good guide thru the process and help someone get to a better place. The author gives great advice regarding the legal process, and what you need at that point, but also shows a great understanding of the emotional issues as well. Best of all it is a quick read, and funny at times too... really enjoyed it! 0 of 0 people found the following review helpful. Practical uncanny perspective By Jlove This book comprises knowledge and practical experience that readers in different stages of relationship dilemmas can glean perspective and suggestions. Very helpful read and the book discusses all aspects of what to expect throughout the process if one chooses to work on a marriage or if the decision is to end the marriage. A very smart view of caring for the children with their highest good as the priority. Please read it; you will appreciate it!

You've been sucked into the abyss of divorce and can't focus on anything. How in the world can you be expected to read a book? Your emotions are all over the place, and you don't even know where to start. Don't Burn the Underwear is the source for immediate answers to all those questions running through your head. How did I get here? Can I save my marriage? What should I do now? Will my kids be okay? If you're looking for concise, candid answers regarding divorce, look no further!
