**James Kessler, Sheena Grattan : Drafting Trusts Will Trusts in Northern Ireland** before purchasing it in order to gage whether or not it would be worth my time, and all praised Drafting Trusts Will Trusts in Northern Ireland:

"This influential book, which explains in clear user-friendly language how to draft comprehensible and effective documents, covers all the general issues and mistakes that arise when drafting Northern Ireland trusts and will trusts. In addition to the main narrative, this book provides a comprehensive range of precedents. Written by eminent trusts

law specialists, this book will prove invaluable for all practitioners with an interest in Northern Ireland trusts. "
