Daniel Hillyard, John Dombrink : Dying Right: The Death with Dignity Movement before purchasing it in order to gage whether or not it would be worth my time, and all praised Dying Right: The Death with Dignity Movement:

Dying Right provides an overview of the Death With Dignity movement, a history of how and why Oregon legalized physician-assisted suicide, and an analysis of the future of physician-assisted suicide. Engaging the question of how to balance a patient's sense about the right way to die, a physician's role as a healer, and the state's interest in preventing

killing, Dying Right captures the ethical, legal, moral, and medical complexities involved in this ongoing debate.
