**From Bloomsbury Professional : E-Contracts** before purchasing it in order to gage whether or not it would be worth my time, and all praised E-Contracts:

A looseleaf and CD-ROM service, written by leading experts in this rapidly changing field. E-contracts will keep you fully up-to-date with the key legislative and legal developments. It provides a comprehensive collection of contracts, policies and notices for e-business, with a full practical commentary provided throughout, and covers both the client and supplier perspective. Updates are charged for on publication.
