Lawrence Frolik, Richard Kaplan : Elder Law in a Nutshell, 5th (Nutshell Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Elder Law in a Nutshell, 5th (Nutshell Series):

0 of 0 people found the following review helpful. Great reference bookBy Yoshi ExI used this book in college but also kept it as a great reference for after University. It's small enough to throw in your brief case or back pack and not create any bulk. The information contained, as all text books, will undoubtedly change, however, I found the information to be a helpful reference book in my job when confronted with Elder Law issues.0 of 0 people found the

following review helpful. Well written. I don't have to read it twice ...By happy readerWell written. I don't have to read it twice to figure out the point being made. It is as the name implies. Clear and concise.5 of 5 people found the following review helpful. Good clear instruction!By CustomerI used this in a class and it was one of the rare times I actually learned a lot and was not bored. Summary of info is clear and concise. GREAT addition to a class or for your own reference when dealing with these issues.

The Fifth Edition includes the following topics: the new Elder Justice Act responding to elder abuse and neglect; criminal background checks of workers who work with older patients; major Medicare changes, including: cost-free annual wellness visits and personalized prevention assessments, end-of-life planning, tax increases on both earned and investment income, increased premiums on higher-income enrollees in Part D, gradual filling of the Part D doughnut hole; Medicaid spousal impoverishment protection changes; revamped Medigap plan options effective July 2010; new long-term care insurance program operated by the Federal government, and more.
