**From LexisNexis : Elder Law Practice in Tennessee** before purchasing it in order to gage whether or not it would be worth my time, and all praised Elder Law Practice in Tennessee:

1 of 1 people found the following review helpful. I wasted my moneyBy CamNo answers for me and it didn't take much reading to see its more of a "hire me or your own legal professional" for more specific answers, than a real problem solver, but-- I'm not a lawyer just a consumer, so..... The bottom line for me was I should have used the \$\$\$ to get the answers from my lawyer, which I ended up doing.
