Nina Kohn : Elder Law: Practice, Policy, and Problems (Aspen Casebook) before purchasing it in order to gage whether or not it would be worth my time, and all praised Elder Law: Practice, Policy, and Problems (Aspen Casebook):

0 of 0 people found the following review helpful. Good for law school, bad for your book clubBy Mark MIf you're buying this for your law school class it will be perfect. If you're buying it for some nice light reading, maybe on a little hop across the country on an airplane with your children, you will probably be disappointed.0 of 1 people found the following review helpful. Four StarsBy LizPractical book

The casebook is a client-focused, teaching-oriented book. It integrates narrative with cases, statutes, regulatory materials, and commentaries to create a comprehensive, tightly organized teaching tool. A key feature is that, unlike the competing casebooks, the book is replete with problems, questions, and exercises designed to help students apply what they are learning and to facilitate lively classroom discussion. Many of these are client counseling hypotheticals that ask students to advise hypothetical clients or to describe how they would approach a client meeting.
