Elder Law, Fourth Edition 2015 Revision, is published in digital format solely by Carolina Academic Press. The digital format allows us to include such features as live links to state and federal statutes, cases, and other web-based

material that you can reference or incorporate into your course coverage. Many chapters contain 50-state statutory tables that will allow your students to access, directly from the book, state specific laws that are relevant to the subject matter of the chapters. The book covers traditional subjects and also hot topics in elder law and practice.
