**From The Law Society : Elderly Client Handbook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Elderly Client Handbook:

Life expectancy in the UK has been growing steadily. It is predicted that, by 2020, almost half the adultpopulation will be over 50.This book provides up-to-date information and guidance to help lawyers find solutions to the various

legal and practical issues that arise when acting for elderly clients. Reflecting the need of lawyers in this area to maintain an impressive generalist knowledge and keen problem-solving skills, the Elderly Client Handbook brings together an array of leading experts to present a comprehensive and up-to-date guide to the relevant law and practice. This edition has practical advice on the following recent developments: \* Care Act 2014 \* Social Services and Well-Being (Wales) Act 2014 \* Welfare Reform Act 2012 \* case law on mental capacity \* revised forms and procedures for LPAs. The Elderly Client Handbook will continue to be an essential source of practical advice and guidance for new and experienced practitioners.
