I'd recommend this to refresh before the final. 0 of 0 people found the following review helpful. Five Stars By Natalie Ortiz Perfect condition 5 of 6 people found the following review helpful. Save your money By Lainey Fikal I didn't find this book helpful and hardly referred to it. The armed conflict section is useful, but not enough to justify purchasing this book. This book does NOT do a good job of defining or explaining basic international law principles. It cross-references a lot, which means you flip back and forth through pages just to find out that the name of a convention was mentioned on a page. Frustrating.
