**James E. Moliterno : Emanuel Law Outlines Professional Responsibility (AspenLaw Studydesk)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Emanuel Law Outlines Professional Responsibility (AspenLaw Studydesk):

5 of 6 people found the following review helpful. If there were a Model Rules of Writing, they would fail MR 1.1 for being incompetent By M. Schwalbert Typos abound...probably one on each page. However, they don't get a 1 star just for that. The deal breaker is they ACTUALLY MATERIALLY MISSTATE THE MODEL RULES. There are sections in this book that tell you the opposite of what the Model Rules actually say. I found two such errors regarding conflicts

of interest from third party control of a lawyer's independent judgment. Typos are one thing, but there is no excuse for these types of serious errors. Furthermore, the book is about twice as big as it needs to be. Half the time, they bold a statement as a "heading" and then just repeat nearly the same thing under the "heading" without any real elaboration. They do this in the capsule summary and the main portion. They also parrot back the capsule summary in the main portion without much elaboration. About the only redeeming quality is the examples that follow many of their statements of the law. However, if you want something like that, you can probably find other options that give you hypos and examples without the rest of the headache. Try an EE...but BEWARE, they are created by the same company, so that too may be a waste of money. Regardless, don't come back to Emanuel until a second edition gets positive reviews.

**Emanuel Law Outlines: Professional Responsibility (Print + eBook CD Bundle)**

The most trusted name in law school outlines is now available in **AspenLaw Studydesk** digital eBook format. It's the best of both worlds: a print copy of the Emanuel Law Outline for your desk reference and an eBook version on your laptop to take with you wherever you go.

**Emanuel Law Outlines for Professional Responsibility** will support your class preparation, provide reference for your outline creation, and supply a comprehensive breakdown of topic matter for your entire study process. The **AspenLaw Studydesk** eBook format will allow you to search the outline on your laptop and incorporate Legal Concepts into your studying with the click of a button. Created by Steven Emanuel, this series has been relied on by generations of law students. Each outline contains capsule and detailed versions of the critical issues and key topics you must know to master the course. Also included are exam questions with model answers, an alpha-list of cases, and a cross reference table of cases for all of the leading casebooks.
