James E. Moliterno : Emanuel Law Outlines: Professional Responsibility (The Emanuel Law Outlines Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Emanuel Law Outlines: Professional Responsibility (The Emanuel Law Outlines Series):

0 of 0 people found the following review helpful. Sufficient for MPRE; Better for a class By J.S. Bach I used this book to help prepare for a final in my Professional Responsibility class and to subsequently study for the MPRE. It was more helpful in the former, but before I say anything else, I have to alert people that this book is riddled with errors. The errors aren't substantive, but are rather the kind of errors you'd see when someone didn't bother to edit their work. The sentence structure, spelling, punctuation etc are all marred with mistakes. There are errors everywhere and it can

sometimes impede your understanding of the meaning of a sentence. For a book that is already fairly thin, this is sort of ridiculous. The book covers the caveats of duty of confidentiality and conflict of interest, the two most important subjects in an ethics class, and the most frequently tested topics on the MPRE. It is clear in its explanations of the doctrines and has some helpful examples, which are mostly drawn from precedent cases. The review questions at the end of each chapter are also pretty critical to one's understanding and comprehension. For this reason, the book is very helpful. For the MPRE, however, there may be some shortcomings. First, the MPRE has gotten harder and it's more essential to have done several practice tests with explanations than simply have a broad knowledge of each of the subjects that are tested. The questions are tricky, and are designed so that the basic knowledge you already have is assumed in the question. In this book, there is only one practice test at the end, which does not contain explanations. It doesn't even have 60 questions. This is where the book is really lacking. All in all, it's a good book to have as a guide for professional responsibility, and is fairly adequate for the MPRE, but lacks the necessary components of a test preparation book, such as a plurality of practice tests with explanations. It may be a wise idea to use the book and find practice tests from another source.

0 of 0 people found the following review helpful. Simple, easy A
By Jackie I had a fairly entertaining PR class, and the professor told us he would use MPRE style multiple choice questions, like those found in the back of this book. I used this guide, read through it 2 times and did the practice tests. Got an A in the class. It doesn't address state-specific rules obviously, so make sure you don't miss any of those.

0 of 0 people found the following review helpful. Very, very helpful
By Bella Media Services LLC This was extremely helpful in studying for the MPRE and my law school exam. I got an A in law school and a scaled 95 for the MPRE. Very thorough. Read this book and you definitely know the material. I have all the Emanuel books and they've all been great.

The most trusted name in law school outlines, Emanuel Law Outlines were developed while Steve Emanuel was a student at Harvard Law and were the first to approach each course from the point of view of the student. Invaluable for use throughout your course and again at exam time, Emanuel Law Outlines are well-correlated to all major casebooks to help you to create your own outlines. Sophisticated yet easy to understand, each guide includes both capsule and detailed explanations of critical issues, topics, and black letter law you must know to master the course. Quiz Yourself QAs, Essay QAs, and Exam Tips give you ample opportunity to test your knowledge throughout the semester and leading up to the exam. Every title in the series is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Emanuel Law Outlines provide a comprehensive breakdown of the law, more sweeping than most, for your entire study process. For more than thirty years, Emanuel Law Outlines have been the most trusted name in law school outlines. Here's why: Developed by Steve Emanuel when he was a law school student at Harvard, Emanuel Law Outlines became popular with other law students and spawned an industry of reliable study aids. (Having passed the California bar as well, Steve Emanuel is now a member of the New York, Connecticut, Maryland, and Virginia bars.) Each Outline is valuable throughout the course and again at exam time. Outline chapters provide comprehensive coverage of the topics, cases, and black letter law covered in the course and major casebooks, written in a way you can easily understand. The Quiz Yourself QA in each chapter and the Essay QA at the end provide ample opportunity to test your knowledge throughout the semester. Exam Tips alert you to the issues that commonly pop up on exams and to the fact patterns commonly used to test those items. The Capsule Summary an excellent exam preparation tool provides a quick review of the key concepts covered in the course. The comprehensive coverage is more sweeping than most outlines. Each Emanuel Law Outline is correlated to the leading casebooks. Every title is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Tight uniformity of writing style and approach means that if you use one of these guides, you can be confident that the others will be of similar quality.
