It's very informative, but at time it's a bit repetitive in what it tells you. But it does a pretty nice job of breaking stuff down, and it's not too boring of a read. Plus, tons of examples -- both real life/actually occurred and real life setting/could easily occur.0 of 0 people found the following review helpful. Extremely Valuable ResourceBy NJFam321Rassas has taken what previously felt like an overwhelming topic and created a resource that is useful for people regardless of their background. She thoroughly

discusses each topic and gives examples to demonstrate her points. Well written...easy to understand...easy to navigate. Colleague recommended this book to me...Now I tell co-workers about it. This is my go to book. I highly recommend this text.0 of 0 people found the following review helpful. Three StarsBy Golden CelloKind of repetitive, buy it only if you need it for class . . .

Practical text for undergraduate and paralegal courses on employment law.
