Mark M. Moy : EMTALA Answer Book, 2011 Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised EMTALA Answer Book, 2011 Edition:

The 2011 Edition of The EMTALA Answer Book shows how the Emergency Medical Treatment and Active Labor Act (EMTALA) affects not only emergency physicians but on-call physicians, specialists, and hospitals. And it shows how the feds have stepped up enforcement against EMTALA violations. But most important, The EMTALA Answer Book shows you how to meet these medical duties, stave off these legal threats, and avoid fines, bad publicity, and

exclusion from Medicare. Some of the questions that The EMTALA Answer Book address include: Does HIPAA affect a hospital's EMTALA obligations? Must a receiving hospital with specialized capabilities accept an EMTALA patient who had been admitted as an inpatient at another hospital? Can a physician be on call at more than one facility simultaneously? Are community call plans allowed by EMTALA? Can a hospital compensate on-call physicians specifically for treating patients who are indigent or uninsured? And many more!
