Very informative By drummer4lifenoNWOI would suggest everyone to read this because it puts out information on the table for discussion for the public eye. A good truther read (those that seek the truth and want to know how far the rabbit hole goes) A real eye-opener for people who have no thoughts about who is running the show. Nothing can show you the whole puzzle but there are many pieces laid out here for you to search for more to add to your collection of knowledge. 0 of 0 people found the following review helpful. We as voters and citizens have little say in the matter.

The publisher says this book "exposes the political forces around the world that are cooperating to unite the people of this planet under a New World Order. Some of the most recognizable names in America are on this list!"

About the Author Gary H. Kah, a former European and Middle East Trade Specialist, has received a myriad of honors for his scholastic and economic achievements: Governor's Commendation for Outstanding Service to the State of Indiana; the A.C. Wall Street Journal Award for Outstanding Economic Achievement.
