David Schultz : Encyclopedia of American Law and Criminal Justice, Revised Edition, 2-Volume Set (Facts on File Library of American History) before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of American Law and Criminal Justice, Revised Edition, 2-Volume Set (Facts on File Library of American History):

While ignorance of the law may be no excuse for breaking it, for most people, the law seems inaccessible and often incomprehensible. In more than 700 entries, Encyclopedia of American Law and Criminal Justice, Revised Edition breaks down the complex workings of America's criminal justice system in a way that readers can understand.Now in

two volumes, this A-to-Z encyclopedia covers a wide range of relevant topics, including police, courts, corrections, laws, and famous criminals, as well as such timely and controversial subjects as bullying, cameras in public places, cyber crime, juvenile death penalty, and much more. A primary resources section contains documents that are vital to understanding this important subject. Coverage includes: -Animal rights -Capital punishment -John Dillinger -DNA testing -Expert witness -Felony -Hate crimes -Insanity defense -Charles Manson -Medical marijuana -Organized crime -Probable cause -Restraining order -Serial killers -Stalking -Treason -Victimization -White-collar crime.

About the Author David Schultz received his Ph.D. in political science and his J.D. at the University of Minnesota and is currently a professor at Hamline University. He is the author/editor of many books, including Facts On File's Encyclopedia of the United States Constitution.
