Janet K. Yates : Engineering and Construction Law Contracts before purchasing it in order to gage whether or not it would be worth my time, and all praised Engineering and Construction Law Contracts:

ENGINEERING AND CONSTRUCTION LAW CONTRACTS, 1/e is a comprehensive and up-to-date guide to engineering and construction law and contracts, written from the perspective of practicing engineers and construction professionals. Dr. J. K. Yates covers key issues through examples and case studies, minimizing the use of legal terminology, and explaining all essential legal terms in the common vernacular. This texts broad coverage encompasses these and many other topics: labor, environmental, and sustainability law; professional ethics; tort law; agency relationships; real property law; firm ownership; contracts, including terms and conditions; government

contracting; change orders; dispute resolution; risk management and construction insurance; and international legal issues, including arbitration.
