Jon M. Garon : Entertainment Law and Practice 2012 Supplement before purchasing it in order to gage whether or not it would be worth my time, and all praised Entertainment Law and Practice 2012 Supplement:

1 of 1 people found the following review helpful. Great book from a great professorBy Adam BrownGreat book from a great professor. Come to Chase College of Law if you want to learn first hand from this master entertainment law scholar.Warning: a little bit biased in favor of artists, since the writer did represent artists before writing the book. However, this bias does not cloak over the great legal scholarship.

This 2012 supplement updates Entertainment Law and Practice.
