Jacob I. Bregman, Robert D. Edell : Environmental Compliance Handbook before purchasing it in order to gauge whether or not it would be worth my time, and all praised Environmental Compliance Handbook:

If your organization was subject to the thousands of federal, state, and local environmental laws and regulations in effect in the U.S. at the turn of the century, the Environmental Compliance Handbook should be within easy reach. Thousands of professionals have benefited from the bestselling classic. This practical, comprehensive book simplifies the complex world of environmental law and compliance and describes, in everyday language, the major federal laws and regulations at the turn of the century, as well as the critical state requirements appended to them.
