James Crowfoot, Julia M. Wondolleck : Environmental Disputes: Community Involvement In Conflict Resolution before purchasing it in order to gage whether or not it would be worth my time, and all praised Environmental Disputes: Community Involvement In Conflict Resolution:

Environmental Disputes helps citizen groups, businesses, and governments understand how Environmental Dispute Settlement--a set of procedures for settling disputes over environmental policies without litigation--can work for them.

About the Author James Crowfoot was dean of the University of Michigan's School of Natural Resources and a core faculty member of the university's interdisciplinary program in Conflict Management Alternatives. Julia Wondolleck was an adjunct assistant professor at the University of Michigan, where she taught natural resource conflict management and negotiation skills.
